WHEREAS

- A. Assignor and Lessor have entered into a Term Lease Master Agreement No. TLMA/PSF032007 and all amendments and addenda thereto, a copy of which is attached hereto as Exhibit A ("2007 TLMA") and those specific Term Lease Supplements referencing the 2007 TLMA and all amendments and addenda thereto that are funded during the Funding Period (as such term is defined in the 2007 TLMA) (the "2007 Supplements") pursuant to which Assignor leases from Lessor various equipment types set forth on Exhibit B hereto which are either located or to be located (as designated by the Installed State for such equipment set forth on the applicable 2007 Supplement) in the States set forth on Exhibit C hereto but not including those locations listed on Exhibit D hereto (the "Leased Equipment"):
- B. Assignor desires to assign to Assignee all of Assignor's rights, duties and obligations under the 2007 TLMA and 2007 Supplements with respect to the Leased Equipment (specifically but without limitation all obligations set forth in the corresponding line item for the Leased Equipment set forth on the various 2007 Supplements), and Assignee wishes to assume such rights, duties and obligations, all in accordance with the terms hereof.
- C. Assignee desires to have Assignor act as Assignee's agent and discharge various duties with respect to the 2007 TLMA and 2007 Supplements as more fully set forth herein.

NOW THEREFORE, for valuable consideration, the receipt and adequacy thereof which is hereby acknowledged, the parties agree as follows:

- 1.a. As of the Effective Date (as hereinafter defined), the Assignor hereby sells and assigns to the Assignee, and the Assignee hereby purchases and assumes from Assignor, all of Assignor's rights, duties and obligations under the 2007 TLMA and 2007 Supplement with respect to the Leased Equipment and all Assignor's right, title and interest in Assignor's leasehold interest in such Leased Equipment, all in accordance with the terms of this Agreement. - b. The parties hereto acknowledge and agree that all rights, duties and obligations under the 2007 TLMA and 2007 Supplement with respect to the Leased Equipment will continue.
- c. Assignor's original obligations under the 2007 TLMA and the 2007 Supplements as lessee shall not be affected by any extension, renewal or other change in the terms of payment of any assigned lease, supplement, equipment or any other agreement between Lessor and Assignee, or any change in the manner,

place or terms of payment or performance thereof, or the release, settlement or compromise with any party liable for the payment or performance thereof, or the waiver of any default or event of default under any agreement between Lessor and Assignee, or the release or non-perfection of any security thereunder, any change in Assignee's financial condition, or the interruption of business relations between Lessor and Assignee. Lessor need not exhaust its rights or recourse against Assignee or any other person it may have at any time before being entitled to payment from Assignor. If Assignee is acquired, dissolved, or otherwise undergoes any change in its management, ownership, identity or organization structure, Assignor's obligations shall continue to extend to any liabilities of the Assignee or such resulting entity, dissolved corporation or new or changed legal entity or identity. Assignor waives notice of nonpayment, nonperformance, notices of the release of any collateral, notices of any legal proceedings or other efforts to collect against Assignee; notice of any recoupment or setoff, notice and any opportunity for a hearing as to any prejudgment remedies; and any other demands and notices required by law. Assignor further waives all rights to assert against Lessor any right of recoupment, set-off, and all defenses to the payment and performance of Assignor's original obligations under the 2007 TLMA and the 2007 Supplements (other than the defense of payment or performance of the obligations). 2. Assignee agrees that as of the Effective Date, it will assume and perform all the duties, obligations, covenants and representations of "Lessee" under the 2007 TLMA and 2007 Supplement, including without limitation, with respect to the Leased Equipment (regardless of when such duties, obligations, covenants and representations arose).
3. Assignor shall act, and Assignee shall by acceptance of the assignment herein be deemed to have appointed Assignor to act, as agent for Assignee with such powers and discretion as are given to by the terms hereof and of any 2007 Supplement, together with such other powers as are reasonably incidental thereto, including, without limitation, the power (a) to execute and deliver on behalf of Assignee all notices required or permitted by the terms of hereof to be delivered by Assignee, (b) to receive notices and invoices on behalf of Assignee, (c) to disburse funds credited to Assignee to Assignee, (d) to give consents and approvals and make elections on behalf of Assignee and (e) to make payments on behalf of Assignee. Any action taken by the Assignor on behalf of Assignee shall be deemed to bind Assignee and shall be deemed approved by Assignee. Any notice given by the Lessor to the Assignor shall be deemed given to Assignee.
4. Lessor consents to the assignment and assumption contemplated by this Agreement and the appointment of Assignor as agent for Assignee pursuant to paragraph 3 above subject to the terms herein and subject to the following conditions being fulfilled to Lessor's satisfaction (Lessor's execution hereof being evidence of the satisfaction of such conditions): (a) this Agreement is fully executed by the parties hereto; (b) all amounts due under the 2007 TLMA and 2007 Supplement and related line items of Financing Transactions (as defined in the 2007 TLMA and 2007 Supplement) having been paid by Assignor up to the Effective Date; and (c) the Assignor and Assignee agreeing (as indicated by their signature hereto) that the assignment is made subject to any security interest or ownership interest Lessor may have in the Leased Equipment and Assignee reaffirming (as indicated by its signature hereto) Lessor's security interest or ownership interest in the Leased Equipment.

6. Assignee shall not sell, lease, assign, transfer or otherwise dispose of the Leased Equipment or any interest therein, or sublease the same, unless expressly consented to in writing by Lessor.
7. This Agreement does not convey or constitute any right or transfer of software licensed by Assignor's Supplier.
8. This Agreement does not constitute a release of any commitments Assignor has under any other Supplier contracts.
11. Assignor and Assignee authorize and consent to Lessor taking all steps necessary to reflect this assignment on Lessor's systems and books and records, including but not limited to changing relevant entries in Lessor's records and applying all credits in accordance with this Agreement. Upon the delivery to Lessor of a Certificate of Acceptance and Supplement each executed by Lessee covering Products to be leased or financed hereunder, Lessor agrees to pay Lessee's Supplier for such Products, and Lessor shall not make any such payment to any Lessee's Supplier or otherwise with respect to any such Products until such Certificate of Acceptance and Supplement are executed and delivered to Lessor by Lessee. Lessee agrees to repay the Loan (and the interest accrued thereon) and to make payments under the Lease, as applicable, by making the Rent (as defined in Paragraph 16 below) and Interest payments for the number of months specified as "Term" in the Supplement. Lessor will pay the proceeds of the Loan to Lessee's Suppliers for the Financed Items. Other than the obligation to pay the purchase price, all responsibilities and limitations applicable to Customer as defined in the referenced Lessee's Supplier's purchase agreement in effect at the time the Supplement is accepted by Lessor (Purchase Agreement) shall apply to Lessee.

If the Equipment is subject to a volume procurement amendment to the Purchase Agreement or to another discount offering, (a) Lessor will pay the same amount for the Equipment that would have been payable by Lessee, and (b) Lessee will remain responsible to Lessee's Supplier for any late order change charges, settlement charges, adjustment charges or any other charges incurred under the volume procurement Agreement or other discount offering, other than charges arising as a result of the sole negligence or willful misconduct of Lessor.

9. WARRANTIES. Lessor grants to Lessee the benefit of any and all warranties made available by Lessee's Supplier in the Purchase Agreement or otherwise made available with respect to the Products. The foregoing authorization shall not constitute any surrender of Lessor's interest in the Equipment.

11. DELIVERY AND INSTALLATION. Lessee shall arrange with Lessee's Supplier for the delivery of the Equipment and other Products and Programming and for installation of the Equipment at the Equipment Location listed on the applicable Supplement. Unless Financed hereunder, Lessee shall pay any delivery and installation charges. Lessor shall not be liable to Lessee for any delay in, or failure of, delivery of the Equipment and other Products. Lessee shall examine the Equipment and other Products immediately upon delivery. If the Equipment is not in good condition or the Equipment or any of the other Products does not correspond to Lessee's Supplier's specifications, Lessee shall promptly give Lessee's Supplier written notice and shall provide Lessee's Supplier reasonable assistance to cure the defect or discrepancy. If the Equipment and such other Products are acceptable to Lessee, Lessee shall execute and deliver to Lessor a Certificate of Acceptance and Supplement for such Equipment and other Products.

- (e) For each Product that is the subject of such Lease or Loan the Lessor shall have received a complete and fully executed Certificate of Acceptance and Supplement; and

Lessee's obligation to pay Rent shall begin on the Rent Commencement Date. Rent will be invoiced in advance as of the first day of each Payment Period and will be due thirty (30) days after the invoice date. When the Rent Commencement Date is not on the first day of a calendar month and/or when the initial Term does not expire on the last day of a calendar month, the applicable Rent will be prorated on the basis of 30-day months. Advance Rent, if any, will be applied to the initial invoice(s).

17. RENEWAL. Provided that Lessee is not in Default under subparagraphs (a), (c), (d), (e), or (f) of Paragraph 37 herein, Lessee may renew the Lease one or more times but not beyond six years from the expiration of the initial Term. Lessor shall offer renewal Terms of one year and may offer longer Terms if then generally available. All such renewal terms shall be set forth in the applicable Supplement. For a renewal Term, upon request by Lessee, at least five months prior to Lease expiration, Lessor shall notify Lessee, at least four months prior to expiration, of the Rent, any changes to the Payment Period and due dates, and of any required Purchase Option or Renewal Option Percents not specified in the Supplement. The Rent shall be objectively determined by Lessor by using the projected fair market rental value of the Equipment as of the commencement of such renewal Term. However, for Option B', the Rent shall be as specified in the Supplement. Lessee may renew for any renewal Term only by so notifying Lessor in writing at least one month before expiration. For purposes of this Paragraph, fair market rental value shall be the value which would be obtained in an arm's length transaction between an informed and willing Lessee and an informed and willing Lessor under no compulsion by either party to perform the transaction. If Lessee disagrees with the projected fair market rental value of the Equipment determined by Lessor, Lessee will promptly so indicate in its notice of election to renew and will provide documentary support for a proposed alternative price. This documentation will include a firm offer to sell from an independent third party an equivalent item of Equipment, having the same machine type, model and configuration as the item of Equipment in dispute, from a supplier able and willing to provide such equipment from its inventory free and clear of any encumbrances. Upon receipt, the parties agree to utilize the dispute resolution process provided for in Paragraph 45.

During the period of these discussions, rental payments will continue pursuant to the terms of this Agreement. Lessee may terminate these discussions on written notice to Lessor, subject to optional extension provisions. All discussions between the parties will be confidential.

18. PURCHASE OF EQUIPMENT. Provided that Lessee is not in Default under subparagraphs (a), (c), (d), (e), or (f) of Paragraph 37 herein, Lessee may, upon one month prior written notice to Lessor, purchase Equipment upon expiration of the Lease thereof. Under Option B or B+, the purchase price shall be objectively determined by Lessor by using the fair market sales value of the Equipment as of such expiration date. Under Option B Prime (B') the purchase price shall be an amount determined by multiplying the Unit Purchase Price listed on the applicable Supplement by the Purchase Option Percent listed on the applicable Supplement for such Equipment.

If Lessee purchases any Equipment, Lessee shall, on or before the date of purchase, pay to Lessor the purchase price, any applicable sales taxes, all Rent due through the day preceding the date of purchase, any other amounts due hereunder, and the prepayment of Financing with respect to Products (that are not Equipment) related to such purchased Equipment (Paragraph 35). Lessor shall, on the date of purchase, transfer to Lessee by bill of sale, without recourse or warranty of any kind, express or implied, all of Lessor's right, title and

interest in and to such Equipment on an "As Is, Where Is" basis except that Lessor shall warrant title free and clear of all encumbrances.

For purposes of this Paragraph, fair market sales value shall be the value which would be obtained in an arm's length transaction between an informed and willing buyer and an informed and willing seller under no compulsion by either party to perform the transaction. If Lessee disagrees with the projected fair market sales value of the Equipment determined by Lessor, Lessee will promptly so indicate in its notice of election to purchase and will provide documentary support for a proposed alternative purchase price. This documentation will include a firm offer to sell from an independent third party an equivalent item of Equipment, having the same machine type, model and configuration as the item of Equipment in dispute, from a supplier able and willing to provide such equipment from its inventory free and clear of any encumbrances. Upon receipt, the parties agree to utilize the dispute resolution process provided for in Paragraph 45.

During the period of these discussions, rental payments will continue pursuant to the terms of this Agreement. Lessee may terminate these discussions on written notice to Lessor, subject to optional extension provisions. All discussions between the parties will be confidential.

19. OPTIONAL EXTENSION. If Lessee has not elected to renew or purchase, and as long as Lessee is not in Default under the Lease, the Lease will be extended unless Lessee notifies Lessor in writing prior to Lease expiration. The extension will be under the same terms and conditions then in effect, including Rent (but, for Options or B, not less than fair market rental value) and will continue on a day-to-day basis until the earlier of termination by either party upon one month prior written notice or six years after expiration of the initial Term. For purposes of this paragraph, the Rent shall be calculated as the sum of the Lease payments over the initial Term divided by the initial Term of the Lease, but for Options B, B+ or L not less than fair market rental value.

20. INSPECTION; MARKING; FINANCING STATEMENT. Upon reasonable prior written request, Lessee shall make the Equipment and its maintenance records available for inspection by Lessor during Lessee's normal business hours. Lessee shall affix to the Equipment any labels indicating ownership supplied by Lessor. Lessee shall execute and deliver to Lessor for filing any Uniform Commercial Code financing statements or similar documents Lessor may reasonably request to evidence Lessor's interest in the Products.

21. EQUIPMENT USE. Lessee agrees that Equipment will be operated by competent, qualified personnel, in accordance with applicable operating instructions, laws and government regulations and that Equipment will be used only for business purposes.

22. MAINTENANCE. Lessee, at its expense, shall keep the Equipment in a suitable environment as specified by Lessee's Supplier with respect to any Lessee's Supplier warranties and in good condition and working order, ordinary wear and tear excepted.

23. ALTERATIONS; MODIFICATIONS; PARTS. Lessee may alter or modify the Equipment. Any non-manufacturer alteration is to be removed and the Equipment restored to its normal, unaltered condition at Lessee's expense prior to its return to Lessor, except that, at Lessee's option, any Lessee's Supplier field installable upgrade, feature addition or accessory added to any item of Equipment (Modification) may be but is not required to be removed. If removed, the Equipment is to be restored at Lessee's expense to its normal, unmodified condition. If not removed, such Modification shall, upon return of the Equipment, become, without charge, the property of Lessor free of all encumbrances. Restoration will include replacement of any parts removed in connection with the installation of an alteration or Modification. Any part installed in connection with warranty or maintenance service shall be the property of Lessor.

24. LESSEE COVENANTS. Lessee will cause the following information to be delivered promptly to Lessor:

(A) notice from Lessee in reasonable detail of any development or event that has had or could reasonably be expected to have a Material Adverse Effect.

(B) Lessee agrees that until it has satisfied all of its obligations under this Agreement, it will, in the event the Lessee's Financial Statements are not publicly available, provide to Lessor: (i) audited Financial Statements, as soon as available and in any event within 90 days after the end of each fiscal year, audited by an independent public accountant accompanied by an opinion of such accountant (which shall not be qualified as to scope of audit or in any manner calling into question the status of its business as a going concern) to the effect that such consolidated financial statements fairly present its financial condition and results of operations and that of its consolidated

subsidiaries, taken as a whole, in accordance with GAAP; (ii) quarterly statements, within 45 days after the end of each of the Lessee's fiscal quarters of each fiscal year (other than the last quarterly fiscal period of each such fiscal year), copies of: (a) a consolidated balance sheet of the Lessee and its Subsidiaries as at the end of such quarter, and (b) consolidated statements of income, changes in shareholders' equity and cash flows of the Lessee and its subsidiaries, for such quarter and (in the case of the second and third quarters) for the portion of the fiscal year ending with such quarter, setting forth in each case in comparative form the figures for the corresponding periods in the previous fiscal year, all in reasonable detail, prepared in accordance with GAAP applicable to quarterly financial statements generally, and certified by a senior financial officer as fairly presenting, in all material respects, the financial position of the companies being reported on and their results of operations and cash flows, subject to changes resulting from year-end adjustments and (iii) any such additional financial and other information from Lessee as Lessor may from time to time reasonably request.

25. RETURN OF EQUIPMENT. Upon expiration or termination of the Lease for any item of Equipment other than in connection with the purchase of such Equipment by Lessee or in connection with a Casualty Loss, or upon demand by Lessor pursuant to Paragraph 38, Lessee shall promptly return the Equipment, freight prepaid, to a location in the continental United States specified by Lessor. In connection with such return, Lessee shall pay any costs and expenses incurred by Lessor to inspect and qualify the Equipment for manufacturer's maintenance agreement service or, if not available, the cost to return the Equipment to good condition and working order, ordinary wear and tear excepted. Any parts removed in connection therewith shall become Lessor's property.

26. CASUALTY INSURANCE; LOSS OR DAMAGE. Lessor will maintain, at its own expense, insurance covering loss of or damage to the Equipment (but excluding any Modifications not subject to a Lease and any non-manufacturer alterations) with a \$5,000 deductible per incident. If any item of Equipment shall be lost, stolen, or irreparably damaged by any cause whatsoever (Casualty Loss) before the Date of Installation as defined in the Purchase Agreement, such item shall not become subject to the Lease. If any item of Equipment suffers Casualty Loss, or shall be otherwise damaged, on or after the Date of Installation, Lessee shall promptly inform Lessor. If the item is damaged but is not subject to a Casualty Loss and can be economically repaired, Lessee shall place the item in good condition and working order and Lessor will reimburse Lessee the reasonable cost of such repair, less the deductible. If not so economically repairable, Lessee shall pay Lessor the lesser of \$5,000 or the fair market value of the Equipment immediately prior to the Casualty Loss. Upon Lessor's receipt of such payment the Lease for that item shall terminate.

27. TAXES. Lessee shall promptly reimburse Lessor for, as additional Rent, all taxes, charges, and fees imposed or levied by any governmental body or agency upon or in connection with the purchase, ownership, leasing, possession, use or relocation of the Equipment or otherwise in connection with the transactions contemplated by the Lease. Upon request, Lessee will provide proof of payment of such taxes. Lessor shall be responsible for reporting to all applicable jurisdictions with respect to all taxes, charges, and fees imposed or levied hereunder.

Lessee may contest any determination regarding any tax or portion thereof, with respect to which Lessee may be required to make any payment, reimbursement or indemnification under this Paragraph 27, provided such action is conducted solely in Lessee's own name and at its own expense. Lessor shall be notified, in writing, prior to any such contest.

Where a contest of any tax, or portion thereof, with respect to which Lessee may be required to make payment, reimbursement or indemnification under this Paragraph 27 is not permitted to be brought solely in the name of Lessee, Lessor shall conduct a tax contest upon Lessee's written request provided Lessee shall have furnished Lessor with an opinion of independent tax counsel chosen by Lessee and reasonably acceptable to Lessor, to the effect that Lessor has a reasonable basis for contesting the tax. Counsel selected by Lessor shall conduct all contests and control of all contests, including choice of forum, shall be in the sole discretion of Lessor. All costs and expenses of any contest, including attorney's fees, shall be borne by Lessee. In addition, solely with respect to personal property tax

contests involving valuation of the leased equipment, in the event the contest is fully or partially successful, Lessor shall be entitled to receive ten percent (10%) of the successfully contested amount, not to exceed \$25,000, to reimburse Lessor for the internal and administrative costs associated with conducting such contest.

Lessee shall hold Lessor harmless from all costs, expenses, liens and property seizures which may result from the conduct of any contest, whether conducted by Lessee or Lessor. Notwithstanding anything to the contrary: (a) where Lessor has already paid a tax which Lessee desires to contest or where the tax must be paid prior to the conduct of any contest, Lessor shall not be obligated to conduct such contest unless Lessee shall have provided Lessor (as an interest-free loan) funds in the amount of such tax; if Lessor subsequently receives a refund of tax in connection with a final determination of such contest (or would have received a refund had any payment made from funds provided by Lessee not been applied in payment of a tax liability determined to be owing by Lessor for which Lessee is not required to indemnify Lessor hereunder), such refund (or an amount equal to such amount so applied), together with any interest (net of taxes paid thereon by Lessor) also received (or which would have been received) by Lessor and fairly attributable to such refund of tax or amount so applied, will be paid over to Lessee, to the extent of Lessee's payment to Lessor, and (b) Lessor may decline Lessee's request to contest all or any portion of any claim upon written notice to Lessee and Lessee shall thereupon be relieved of its obligation to reimburse Lessor with respect to the portion of the claim described in the notice, provided, however, that Lessor will not unreasonably decline Lessee's request to contest any amount relating to personal property taxes or sales/use taxes.

28. LESSOR'S PAYMENT. If Lessee fails to perform its obligations under Paragraph 27 or 31 or to discharge any encumbrances on the Equipment created by Lessee, other than Permitted Encumbrances, Lessor shall have the right upon five (5) days notice to Lessee to substitute performance in which case, Lessee shall pay Lessor the reasonable cost thereof.

29. TAX INDemnIFICATION (APPLIES ONLY FOR EQUIPMENT UNDER OPTION B). The Lease is entered into on the basis that under the Internal Revenue Code of 1986, as amended (Code), Lessor shall be entitled to (1) maximum Modified Accelerated Cost Recovery System (MACRS) deductions for 5-year property (MACRS Deductions), and (2) deductions for interest expense incurred to finance the purchase of the Equipment (Interest Deductions). Lessee represents, warrants and covenants that at all times during the Lease:

- (a) the Equipment will not constitute "tax-exempt use property" as defined in the Code;
- (b) the Equipment will not constitute "public utility property" as defined in the Code;
- (c) the Equipment will not be used "predominantly outside the United States" as defined in the Code;
- (d) Except to the extent required by applicable law or regulation or final Internal Revenue Service or judicial determination, Lessee will take no position inconsistent with the assumption that Lessor is the owner of the Equipment for federal income tax purposes; and
- (e) Lessee will keep and make available to Lessor the records required to establish the matters referred to in this paragraph.

If, as a result of any act, failure to act, misrepresentation, inaccuracy, or breach of any warranty or covenant, or Default under the Lease, by Lessee, an affiliate of Lessee, or any person who shall obtain the use or possession of any item of Equipment through Lessee, other than the exercise of any right or option granted Lessee herein or under any Supplement, Lessor shall lose the right to claim or shall suffer any disallowance or recapture of all or any portion of any MACRS Deductions or Interest Deductions (Tax Loss) with respect to any item of Equipment, then, promptly upon written notice to Lessee that a Tax Loss has occurred, Lessee shall reimburse Lessor the amount determined below.

Lessor shall, upon written request and at Lessee's expense, provide to Lessee a letter from Lessor's regularly engaged firm of independent certified public accountants certifying that such firm has reviewed

Lessor's records and that the amount to be reimbursed under this paragraph 29 is accurate and proper.

The reimbursement shall be an amount that, in the reasonable opinion of Lessor, shall make Lessor's after-tax rate of return and cash flows (Financial Returns), over the term of the Lease for such item of Equipment, equal to the expected Financial Returns that would have been otherwise available. The reimbursement shall take into account the effects of any interest, penalties and additions to tax required to be paid by Lessor as a result of such Tax Loss and all taxes required to be paid by Lessor as a result of any payments pursuant to this paragraph. Financial Returns shall be based on economic and tax assumptions used by Lessor in entering into the Lease.

All the rights and privileges of Lessor arising from this Paragraph 29 shall survive the expiration or termination of the Lease.

For purposes of determining tax effects under Paragraphs 18, 27, 29 and 30, the term "Lessor" shall include, to the extent of interests, any partner in Lessor and any affiliated group of corporations, and each member thereof, of which Lessor or any such partner is or shall become a member and with which Lessor or any such partner joins in the filing of consolidated or combined returns. Lessee shall have no obligation to reimburse Lessor for a Tax Loss resulting from the failure of the Lease to constitute a true lease for federal income tax purposes, provided such failure is not the result of an act, failure to act, misrepresentation, breach of any warranty or covenant, or default by Lessee, in which case Lessee's obligation shall be solely as set forth above.

Lessor shall notify Lessee in writing of any actual or proposed federal income tax claim, adjustment or other action received by Lessor in writing with respect to which Lessee may be required to make payment, reimbursement or indemnification under this Paragraph 29 hereof (a "Proposed Adjustment") (but the failure of Lessor to so notify Lessee shall not relieve Lessee of its obligations hereunder except to the extent that such failure shall have materially prejudiced the ability to contest the Proposed Adjustment or increased any penalties or interest in respect thereof). If Lessee shall request in writing within thirty (30) days after the notice described above that the Proposed Adjustment be contested, Lessor shall contest the Proposed Adjustment provided, however, that Lessor shall not be required to contest any Proposed Adjustment unless (i) Lessee shall have furnished Lessor with an opinion of independent tax counsel chosen by Lessee and reasonably acceptable to Lessor, to the effect that "substantial authority", within the meaning of Section 6662 of the Code, exists for contesting the Proposed Adjustment; (ii) Lessee shall have to the extent the basis for the claim or adjustment has become clear, acknowledged its obligation to indemnify Lessor hereunder in the event Lessor does not prevail in such contest (provided that Lessee shall not be bound by any such acknowledgment to the extent the contest is resolved on a basis for which Lessee is not liable and provided, further, that the foregoing limitations on Lessee's obligations to provide an acknowledgment of liability shall not limit or diminish Lessee's obligation to indemnify Lessor pursuant to the terms of the Lease); (iii) Lessee shall have agreed to reimburse Lessor, promptly on demand, all reasonable costs and expenses that Lessor may incur in connection with contesting such Proposed Adjustment, including without limitation reasonable attorneys' and accountants' fees and expenses; (iv) the amount of the potential indemnity (taking into account all similar or logically related claims that may have been or could be raised in any audit involving Lessor) exceeds \$50,000; and (v) the action to be taken will not result in (1) a material risk of the sale, forfeiture or loss of the Equipment, or any material part thereof unless in such event Lessee shall have posted a bond or other security reasonably satisfactory to Lessor in respect of such risk, or (2) the risk of criminal sanctions against, or criminal liability of, Lessor.

Counsel selected by Lessor shall conduct all contests and control of all contests, including choice of forum, shall be in the sole discretion of Lessor. Lessor shall consult in good faith with Lessee and keep Lessee informed. In no event, however, shall Lessee have any right to inspect the books and records of Lessor.

Notwithstanding anything to the contrary: (a) where Lessor has already paid a tax which Lessee desires to contest or where the tax must be paid prior to the conduct of any contest, Lessor shall not be obligated to conduct such contest unless Lessee shall have provided Lessor (as an interest-free loan) funds in the amount of such tax; if Lessor

subsequently receives a refund of tax in connection with a final determination of such contest (or would have received a refund had any payment made from funds provided by Lessee not been applied in payment of a tax liability determined to be owing by Lessor for which Lessee is not required to indemnify Lessor hereunder), such refund (or an amount equal to such amount so applied), together with any interest (net of taxes paid thereon by Lessor) also received (or which would have been received) by Lessor and fairly attributable to such refund of tax or amount so applied, will be paid over to Lessee, to the extent of Lessee's payment to Lessor, and (b) Lessor may decline Lessee's request to contest all or any portion of any claim upon written notice to Lessee and Lessee shall thereupon be relieved of its obligation to reimburse Lessor with respect to the portion of the claim described in the notice.

In no event shall Lessor be required to appeal an adverse judicial determination to the United States Supreme Court.

30. GENERAL INDEMNITY. This Lease is a net lease. Therefore, Lessee shall indemnify Lessor against, and hold Lessor harmless from, any and all claims, actions, damages, obligations, liabilities and liens, and all reasonable costs and expenses, including reasonable legal fees, incurred by Lessor in connection therewith, arising out of the Lease including, without limitation, the purchase by Lessor, ownership, lease, licensing, possession, maintenance, condition, use or return of the Equipment, Programming or licensed program materials, or arising by operation of law ("Expenses"), excluding, however: (i) any of the foregoing which result from the sole negligence or willful misconduct of Lessor, (ii) any of the foregoing arising after the return by Lessee of the Equipment pursuant to the terms hereof and (iii) any of the foregoing arising out of or relating to (1) the incorrectness of any representation or warranty by Lessor in this Agreement or in any other document delivered in connection herewith to the extent that such incorrectness results in the creation, or an increase in the amount, of such Expense (in which case this indemnity shall not cover such Expense or such increased amount, as the case may be) or (2) the failure by Lessor to perform or observe its obligation to (i) pay Lessee's Suppliers as set forth in Paragraph 5 hereof and (ii) provide quiet enjoyment of the use of the Products pursuant to Paragraph 9 hereof or (3) any taxes, assessments or impositions or any other charges or fees imposed by any governmental body or agency, or any interest or penalties related hereto as such indemnity shall be governed by the terms of Paragraph 29 hereof, or (4) any other Expense which Lessor has expressly agreed to bear pursuant to this Agreement or any other document delivered in connection herewith. In the event that Lessee shall have paid an amount to Lessor pursuant to this Section 30, and Lessor subsequently shall be reimbursed in respect of such indemnified amount from any other person or entity, Lessor shall promptly pay an amount equal to the amount of such reimbursement (but in no event more than such payment) to the Lessee. Nothing in this paragraph shall obligate Lessor to seek such reimbursement. Lessee agrees that upon written notice by Lessor of the assertion of any claim, action, damage, obligation, liability or lien, Lessee shall assume full responsibility for the defense thereof. Any payment pursuant to this paragraph shall be of such amount as shall be necessary so that, after payment of any taxes required to be paid thereon by Lessor, including taxes on or measured by the net income of Lessor, the balance will equal the amount due hereunder. Lessee's obligations under this paragraph shall not constitute a guarantee of the residual value or useful life of any item of Equipment or a guarantee of any debt of Lessor. The provisions of this paragraph with regard to matters arising during the Lease shall survive the expiration or termination of the Lease.

31. LIABILITY INSURANCE. Lessee shall obtain and maintain comprehensive general liability insurance, in an amount of \$1,000,000 or more for each occurrence, with an insurer having a "Best's Policyholders" rating of B+ or better. The policy shall name Lessor as an additional insured as Lessor's interests may appear and shall contain a clause requiring the insurer to give Lessor at least one month's (10 days for non-payment of premium) prior written notice of the cancellation, or any alteration in the terms, of the policy. Lessee shall furnish to Lessor, upon request, evidence that such insurance coverage is in effect.

32. SUBLEASE OF EQUIPMENT; ASSIGNMENT BY LESSEE

Upon Lessor's prior written consent, which will not be unreasonably withheld, Lessee may sublet the Equipment. No sublease shall relieve Lessee of its obligations under the Lease. In no event shall Lessee

remove the Equipment from the United States and Puerto Rico. Lessee shall not assign, transfer or otherwise dispose of the Lease or Equipment, or any interest therein, or create or suffer any levy, lien or encumbrance thereof except those created by Lessor and Permitted Encumbrances. Notwithstanding the foregoing, Lessee pursuant and subject to an Assignment and Assumption Agreement between Lessor and Lessee reasonably acceptable to the parties (the "Assignment Agreement") may assign the Lessee's interest in all or any portion of the Equipment and any Lease or Loan related thereto described in the Assignment Agreement to any wholly owned subsidiary without Lessor's prior consent provided that:

(A) no Event of Default under the Lease shall have occurred and be continuing,

(B) such assignee is not itself in default under any Lease with Lessor,

(C) assignee will be the end user of the Equipment at its own business location at the U.S. street address provided to Lessor,

(D) assignee expressly acknowledges Lessor's interest in the Equipment,

(E) assignee shall not assign, transfer or otherwise dispose of the Lease or Equipment, or any interest therein, or create or suffer any levy, lien or encumbrance thereon except Permitted Encumbrances,

(F) all financing statements required to continue the Lessor's security interest are filed,

(G) for any assignment contemplated by this paragraph occurring after the Rent Commencement Date of the related Supplement, Lessee shall provide to Lessor, within 14 days of assignment inception, the location of all Equipment subject to such assignment by serial number. Upon reasonable request of Lessor, Lessee shall provide Lessor, within 14 days of such request, the location of all Equipment by serial number. Failure to provide a complete accounting for all Equipment to Lessor within thirty (30) days of assignment inception or Lessor's written request will constitute an Event of Default,

(H) in the event of a assignee bankruptcy, Lessee shall not object to or otherwise oppose any motion or other action by Lessor to, among other things, enforce its rights under this Agreement, to seek relief from the stay imposed by section 362 of the United States Bankruptcy Code (the "Code"), or to seek adequate protection as such term is used in the Code, and

(I) Lessee's obligation to maintain and insure the Equipment is not altered.

The terms of this paragraph apply solely to the Lessee. No further assignment of Equipment by any assignee without Lessor's consent is authorized.

Lessor will prepare for Lessee's execution, such assignment language or assignment documents as Lessor reasonably determines may be necessary to give effect to the provisions of this Agreement, which Lessee covenants and agrees to execute and return to Lessor by April 21, 2007. The terms of this paragraph apply solely to the Lessee. No further assignment of Equipment by any assignee without Lessor's consent is authorized.

33. ASSIGNMENT BY LESSOR. Lessee acknowledges and understands that the terms and conditions of the Lease have been fixed to enable Lessor to sell and assign its interest or grant a security interest or interests in the Lease and the Equipment individually or together, in whole or in part, for the purpose of securing loans to Lessor or otherwise; provided that no such sale, assignment or grant shall increase the obligations of Lessee hereunder. If Lessee is given written notice of any assignment, it shall promptly acknowledge receipt thereof in writing. Each such assignee shall have all of the rights of Lessor under the Lease. Lessee shall not assert against any such assignee any set-off, defense or counterclaim that Lessee may have against Lessor or any other person. Lessor shall not be relieved of its obligations hereunder as a result of any such assignment unless Lessee expressly consents thereto.

34. FINANCING. Software, program licenses, maintenance, services and other one-time charges Financed under the Supplement constitute "Financed Items" and the terms (i) of the Supplement, (ii) any applicable attachments, and (iii) the Agreement, each as may be amended by addenda, constitute the "Financing Transaction" for such Financed Items.

35. FINANCING PREPAYMENT (Does Not Apply for Items of Equipment). Lessee may terminate an item of Financing (but not an item of Equipment) by prepaying an amount equal to the present value of the remaining Rent using a discount rate which is the lesser of (i) the two (2) year LIBOR weekly average swap rate (as defined in Exhibit B) at the inception of the Financing for Categories 4 and 5 plus 75 basis points; or (ii) the two (2) year LIBOR weekly average swap rate at effective date of prepayment plus 75 basis points. Lessee shall provide Lessor with notice of the intended prepayment date which shall be at least ten (10) days after the date of the notice. If, prior to Lease expiration, Lessee purchases the Equipment or if the Lease is terminated, Lessee shall at the same time prepay any related Financing including that for programs licensed to the Equipment.

36. DELINQUENT PAYMENTS. If any amount to be paid to Lessor is not paid on or before its due date, including any applicable grace periods, Lessee shall pay Lessor on demand 1.0% of such late payment for each month or part thereof from the due date until the date paid or, if less, the maximum allowed by law.

37. DEFAULT; NO WAIVER. An Event of Default shall have occurred under the Lease and/or Financing Transaction upon the occurrence of any of the following events: (a) Lessee fails to pay when due any amount required to be paid by Lessee under the Lease and/or Financing Transaction and such failure shall continue for a period of seven days after written notice thereof from Lessor; (b) Lessee fails to perform any other provisions under the Lease and/or Financing Transaction or violates any of the covenants or representations made by Lessee in the Lease and/or Financing Transaction, or Lessee fails to perform any of its obligations under any other Lease and/or Financing Transaction entered into pursuant to this Agreement, and such failure or breach shall continue unremedied for a period of 30 days after written notice is received by Lessee from Lessor; (c) Lessee makes an assignment for the benefit of creditors, whether voluntary or involuntary, or consents to the appointment of a trustee or receiver, or if either shall be appointed for Lessee or for a substantial part of its property without its consent and, with respect any involuntary assignment or appointment, the same continues unstayed and in effect for a period of 60 consecutive days; (d) any petition or proceeding is filed by or against Lessee or assignee, as described in Paragraph 32, under any Federal or State bankruptcy or insolvency code or similar law and with respect to any petition or proceeding filed against Lessee, the same continues unstayed and in effect for a period of 60 consecutive days; (e) Lessee terminates its organizational existence, consolidates with or merges into any entity, and Lessee is not the surviving entity of such organizational change, consolidation or merger and such surviving entity has not expressly assumed Lessee's obligations under this Agreement; or (f) any condition or event shall have occurred that permits the holder of any of Lessee's Material Obligations in excess of \$50,000,000.00 to accelerate the maturity therefore, and such acceleration is not cured within fifteen (15) days. Any failure of Lessor to require strict performance by Lessee or any waiver by Lessor of any provision in the Lease shall not be construed as a consent or waiver of any other breach of the same or of any other provision.

38. REMEDIES. If an Event of Default set forth in Paragraph 37 (b) hereof has occurred and is continuing, Lessor shall, prior to the exercise of any remedies hereunder, notify Lessee of such Event of Default and provide Lessee the opportunity to purchase all Equipment leased hereunder within three (3) business days for an amount that is determined by Lessor in its sole discretion and agreed to by Lessee together with Rent to become due, discounted at a rate which is the Eurodollar deposits (London) 1-month Weekly Friday rate and all other amounts due and payable hereunder. Upon receipt of such payment, Lessor shall transfer such Equipment to Lessee free and clear of all encumbrances. If any other Event of Default has occurred and is continuing, or if Lessee fails to exercise the buyout described above, then Lessor shall have the right, in its sole discretion, to exercise any one or more of the following remedies. Lessor may (a) declare any Lease and/or Financing transaction entered into pursuant to this Agreement to be in default; (b) terminate in whole or in part any Lease; (c) recover from Lessee any and all amounts then due and all Rent to become due, discounted at a rate which is the lesser of the Eurodollar deposits (London) 1-month Weekly Friday rate (as published in Statistical Release H.15 and can be found at: <http://www.federalreserve.gov/Releases/H15/data.htm>) at either the

inception of the Lease and/or Financing Transaction or the date of Default; (d) take possession of any or all items of Equipment, wherever located, without demand or notice, without any court order or other process of law; and (e) demand that Lessee return any or all such items of Equipment to Lessor in accordance with Paragraph 25 and, for each day that Lessee shall fail to return any item of Equipment, Lessor may demand an amount equal to the Rent, prorated on the basis of a 30-day month, in effect immediately prior to such Event of Default. This Agreement has been duly executed and delivered on behalf of Lessee. No Requirement of Law or Contractual Obligations applicable to Lessee could reasonably be expected to have a Material Adverse Effect.

(E) Enforceability. This Agreement and any Other Documents executed and delivered by Lessee in connection herewith are the legal, valid and binding obligations of Lessee, and are enforceable in accordance with their terms, except as such enforceability may be limited by the effect of any applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or similar laws affecting creditors rights generally or the general equitable principles relating thereto; provided, however, that such laws shall not materially interfere with the practical realization of the benefit of this Agreement or the Other Documents, except for: (i) possible delay; (ii) situations that may arise under Chapter 11 of the Bankruptcy Code; and (iii) equitable orders of Bankruptcy court.

43. WAIVER OF JURY TRIAL. Each party hereby irrevocably waives the right to trial by jury in any action or proceeding (including any counterclaim) of any type in which Lessor and Lessee are parties as to all matters arising directly or indirectly out of the Agreement or any document, instrument or agreement executed in connection herewith.

Exhibit B

Upon the receipt of an invoice(s), Lessor will provide Lessee with a Certificate of Acceptance matching the invoice(s) and a Supplement which will contain a rate, a Term and a lease/finance option that is determined by the Category assigned to such Product in Exhibit A. For each Product, the Supplement shall specify, as applicable, a Category 1.1 Rate, Category 2.1 Rate ("Category Rates").

These Category Rates shall be for the "Category Terms" as follows: the Category 1.1 Term is 60 months, the Category 2.1 Term is 36 months.

The Lease/Financing options will be listed on the Supplement as follows: the Category 1.1 Type is a Lease with an end of Lease purchase option that is determined by the Lessor based on the Equipment's Fair Market Value ("FMV Lease"); the Category 2.1 Type is FMV Lease.

The "Category 1.1 Rate" shall be the rate per annum based on the LIBOR Swap (as hereinafter defined) plus 10 basis points, the "Category 2.1 Rate" shall be the rate per annum based on the LIBOR Swap minus 367 basis points. The Category Rates for Category 1.1 shall be based on the weekly average of the three (3) year London Inter Bank Offer Rate ("LIBOR") Swap Rates published by the Federal Reserve Board for the weekly period ending on the Friday immediately preceding the issuance date of each Supplement ("Three Year LIBOR Swap"). The Three Year LIBOR Swap is published in Statistical Release H.15 and can be found at: <http://www.federalreserve.gov/Releases/H15/data.htm> in the Interest Rate Swaps' section thereof.

The Category Rates for Category 2.1 shall be based on the weekly average of the two (2) year LIBOR Swap Rates published by the Federal Reserve Board for the weekly period ending on the Friday immediately preceding the issuance date of each Lease Rate Supplement ("Two Year LIBOR Swap"). The Two Year LIBOR Swap is published in Statistical Release H.15 and can be found at: <http://www.federalreserve.gov/Releases/H15/data.htm> in the Interest Rate Swaps' section thereof.

The following calculation will be used to determine the actual monthly Rent Rate payable each month in advance ("Rent Rate") per thousand dollars (\$1,000) for an item of Equipment or Financing as it appears on the Supplement ("Rate Calculation"). For the purposes of Rate Calculation the following will apply:

Example of Rate Calculation

DEFINITION OF TERMS

\$1,000	=	Amount Financed	SWAP	=	LIBOR Swap Rate
R/K	=	Rent Rate per \$1,000	SPREAD	=	Spread to LIBOR Swap Rate
N	=	Term of Lease or Loan			

GENERAL FORMULA

$$R/K = \frac{\$1,000}{\left[\frac{1 + (SWAP + SPREAD)/12}{(SWAP + SPREAD)/12} \right] \left[1 - \left(\frac{1}{1 + (SWAP + SPREAD)/12} \right)^N \right]}$$

EXAMPLE ASSUMPTIONS & RESULTS

\$1,000	=	Amount Financed	SWAP	=	4.25%
R/K	=	\$18.79	SPREAD	=	0.75%
N	=	60 Months			

$$\$18.79 = \frac{\$1,000}{\left[\frac{1 + (.0425 + .0075)/12}{(.0425 + 0.0075)/12} \right] \left[1 - \left(\frac{1}{1 + (.0425 + 0.0075)/12} \right)^{60} \right]}$$
